The AKC Agility Invitational report lists the top dogs ranked in Agility events and is based on the Top MACH Dog formula (Double Q's x 10) + MACH (Master Agility Championship) points that dogs have earned during the qualifying period. Dogs must have competed and qualified in Regular Master Standard & Jumpers With Weaves classes and the top five (5) ranked dogs of each breed will be included on these reports. If there are not five (5) dogs ranked from the Regular Master classes, dogs will be ranked based on the Preferred Master Standard & Jumpers With Weaves classes using the Top PACH Dog formula (Double Q's x 10) + PACH (Preferred Agility Championship) points that dogs have earned during the qualifying period. If the Top 5 of a breed are all from the Regular class, then an additional SIXTH invite will be sent to the Top Preferred Dog during round 1 invites. The reports will automatically sort the dogs alphabetically.
