

WHWTCA ROVING NATIONAL SPECIALTY PRESENTS

“WHERE THE BOYS ARE”

Please join us for our second
WHWTCA stud dog showcase!

Dont have a dog with you? That's ok.
You can still sign up & bring information on your
stud dog, even if he isn't present.

WHO Any westie lover who has a stud dog or potential stud dog they would like to showcase.

WHAT A fantastic opportunity for bitch owners to go over stud dogs, look at pedigrees and ask questions. Think of it as “The Dating Game” for Westies.

WHERE Access to a entire ring to showcase movement, actual location tbd.

WHEN Saturday April 15th at the WHWTCA Roving in Perry, GA . 1 hour after Westie judging is completed.

HOW After intros and a brief information session on stud dog management, attendees will be free to roam and talk to individual stud dog owners.

WHY To further our breeding programs and make the best breeding choices possible for our bitches. The future of our breed depends on making sound, educated breeding choices.

Here is what you need:

Stud dog owners should bring a chair, grooming table, their dog and any information about your dog such as pedigree, pictures, titles and health testing records as well as any information on puppies he has produced.

Think of it as a “brag session on steroids”.

Please contact Jim McGarr at birchbk@me.com to sign up or ask any questions.

You only need to sign up if you are bringing a dog.

Brought to you by The WHWTCA Breeders Education Committee
