	<p><b>WILLIAM PENN WEST HIGHLAND WHITE TERRIER CLUB</b></p> <p>William Penn's Specialty on May 3, 2014, at Tinicum Park was a lovely day spent with beautiful Westies and friends. The weather cooperated and our turnout was good. We had 43 dogs entered in Regular Classes, under the watchful eye and gentle hand of Judge Robert Shreve, and 13 in Sweeps, judged by Kathy Farrell who filled in for Mary Bradley. We were delighted that Kathy was able to take on the assignment when Mary couldn't. When judging ended, William Penn hosted a wonderful luncheon that was enjoyed by all who attended.</p> <p>On June 11th, at club member Donna Popow's home, our Officers and Board of Directors are hosting a wine and cheese party to welcome new and prospective members. We look forward to the event!</p>

## West Highland White Terrier Club of California

Our Annual Specialty show is fast approaching. This is a great place to meet breeders, their dogs and learn more about Westies. Exhibitors our show is probably one of the best in the country. I know I am bragging, but how many shows happen right on the ocean, adjacent to the Queen Mary with our Southern California weather...ours. Below are the dates, judges and hotel info. Entries close June 5th. You know the ocean comes with a price, please go <http://www.whwtcc.org/uploads/3/4/8/4/3484449/2014opportunitydrawing.pdf> to print our opportunity drawing tickets for a \$500 Visa gift card.

	<p>Our beloved Westies are prone to allergic skin disease. As part of allergies, ears and feet often get inflamed and secondary infections can develop. We will talk about the types of ear infections we can see in allergic ears and how veterinarians approach diagnosis and treatment. The feet are often the first part of the body affected in allergic dogs because dogs absorb their allergens through the skin. We will talk about simple remedies to help control foot itch as well as how to recognize when secondary infection is present. We will also discuss some of the nonallergic problems affecting feet, including demodicosis and fungal infection.</p> <p><b>Door prizes will be available and light refreshments will be served. Browse our sales table for unique Westie items.</b></p> <p><b>Hope you can join us for this informative seminar!</b></p> <p>For biographical information about our speaker visit <a href="http://www.westiefoundation.org">www.westiefoundation.org</a></p> <p>For more information about the seminar contact Michael Higginbotham at <a href="mailto:wysties@gmail.com">wysties@gmail.com</a> or 307-631-2779.</p>
