## Annual Awards Reminder

Hello fellow Westie lovers! It is that time of year again. Yes, the time when you see if one or more of your little white bundles of energy might be eligible for a West Highland White Terrier Club of America Annual Performance Award.

The AKC web store has each of your dog's complete performance results. We use these reports to calculate the Club's annual awards.

Only people who think they have a chance to win one of the Annual Obedience, Agility or Rally awards need to follow this procedure.

1. Sometime between now and **July 15** you will need to purchase dog report(s) from <http://www.akc.org/store/reports/dog/index.cfm>

2. so they include all your dogs' scores from the previous calendar year. Cut and paste it into a mail message to me at [anamotita@hotmail.com](mailto:anamotita@hotmail.com).

I will automatically extract the relevant scores from the report into a database which will be used to calculate the winners.

2. If you do not have web access, you can send me a check for \$8 made out to WHWTCA at 3936 W. CR 100 South, Danville, IN 46122 and I will retrieve the report for you.

3. Alternatively, you can ask me to determine if you are close enough to winning that it would make it worthwhile to spend the \$8 per dog to purchase the Dog Reports from AKC. You can do so by estimating from your own records your Annual Award points. Send this information to me by July 1. I will estimate whether you are competitive and will notify you. If you are competitive, you must then purchase the Dog Reports from the AKC web store and submit them by **July 15th**.

Hint: It is best to save the report to your hard drive in Web Archive, single file (\*.mht) format so the whole report is in a single file and I can access it later without being online with the AKC web site.

#### Annual Obedience Awards (AOA)

Offered for Novice, Open, Utility and All Legs. AOA points are computed by taking the qualifying score in a regular class and subtracting 170. For AOA-All, add up all these points for the calendar year.

For the AOA-Novice, AOA-Open and AOA- Utility, add up only the legs which count toward a dog's title (again in the calendar year).

#### Annual Rally Awards (ARA)

Offered for Novice, Advance, Excellent, and All Classes. ARA points are computed like AOA, only this time 70 is subtracted from the qualifying score in the class. For ARA-All, add up these points for the calendar year. For ARA-Novice, ARA- Advanced and ARA-Excellent, add up only the legs which count toward a dog's title (again in the calendar year).

#### Annual Agility Awards

Annual Agility Awards will be offered for Novice, Open, Excellent and Master based on the following point system:

- \* 1 point for Qualifying in Novice, Open or Excellent; or for earning 0-4 MACH/PACH points in a Master class.

- \* 2 points for Placing 2-4 in Novice, Open or Excellent; or by earning 5-9 MACH/PACH points in the Master class.

- \* 3 points for 1st place in Novice, Open or Excellent; or earning 10 or more MACH/PACH points in a Master class.

Where the awards and their restrictions are:

Annual Novice Agility Award is awarded to the member who earns the greatest number of points while qualifying for the NA, NAJ, and NF OR NAP, NJP and NFP titles. Only legs to qualify for these titles count toward this award and legs in A and B count equally.

Annual Open Agility Award is awarded to the member who earns the greatest number of points while qualifying for the OA, OAJ, and OF OR OAP, OJP and OFP titles. Only legs to qualify for these titles count toward this award.

Annual Agility Excellent Award is awarded to the member who earns the greatest number of points while qualifying for the AX, AXJ, and XF OR AXP, AJP and XFP titles. Only legs to qualify for these titles count toward this award and legs in A and B count equally.

Annual Master Agility Award is awarded to the member who earns the greatest number of points while qualifying in the Standard and Jumpers in the Regular or Preferred Master classes. All qualifying legs count in Master (Standard and Jumpers with Weaves in the Regular OR Preferred) without restriction on whether these qualifying legs count toward any title.

General Rules:

All applicable Club Annual Award rules apply with the exception of Annual Award Rules 3-6. All individuals in a co-ownership must be members for the dog to qualify. WHEN SUBMITTING YOUR REPORT: PLEASE TELL ME ALL OWNERS OF YOUR DOG WHEN YOU SUBMIT YOUR REPORT. For new members, scores count starting on the effective date of your membership (when the BOD votes you in). Points accrue for an individual dog rather than for several dogs in a co-ownership. Thus these annual awards have become honors for individual dogs owned by members rather than honors for members whose one or more dogs collectively achieved excellence.

**FREE EDUCATIONAL SEMINAR  
Ears and Feet:  
Problem Areas for Allergic Westies**

Valerie A. Fadok, DVM, PhD, Diplomate, ACVD

**Thursday, October 2, 2014  
6:30 pm**

**Comfort Suites  
700 West Uwchlan Ave  
Exton, PA 19341**

(across from the Hampton Inn on the SW corner of Rte100 and Rte113)

Our beloved Westies are prone to allergic skin disease. As part of allergies, ears and feet often get inflamed and secondary infections can develop. We will talk about the types of ear infections we can see in allergic ears and how veterinarians approach diagnosis and treatment. The feet are often the first part of the body affected in allergic dogs because dogs absorb their allergens through the skin. We will talk about simple remedies to help control foot itch as well as how to recognize when secondary infection is present. We will also discuss some of the nonallergic problems affecting feet, including demodicosis and fungal infection.

**Door prizes will be available and light refreshments will be served. Browse our sales table for unique Westie items.  
Hope you can join us for this informative seminar!**

For biographical information about our speaker visit
