President's Message

Greetings!

As if it weren't enough that we strive to stay safe during the pandemic, many members find themselves in the path of floods, hurricanes and wildfires! Just remember that our club provides a network of help from some genuinely fabulous people...whether you need temporary housing, a secure place for your Westie, or financial help, reach out. Call a friend; call or email a board member. We will figure out how to help you get what you need.

Virtual Awards Ceremony. Just because we are unable to hold our Annual Dinner, Awards Presentation, and Auction, doesn't mean that our award winners should go with applause! The brainchild of Anne and Sil Sanders, the club will host a Virtual Awards Ceremony on October 4th at 7:00 P.M. (EDT). Email notices providing a link will be sent to members through Mailchimp, Facebook and our membership chat group. Join us to celebrate the honorees!

Board Meeting. The WHWTCA Board Meeting was initially scheduled for September 30th but with the cancellation of the National Specialty, it has been changed to a virtual meeting to be held on October 3rd. If there is anything that you would like the board to consider or address at its meeting, please email your item(s) to Kristine Tarrer, our Corresponding Secretary, at krmt@tarrerlaw.com.

“Imprint” Just a reminder that the Fall/Winter “Imprint” publications have been consolidated. The new deadline, for both articles and ads, is October 30th. Let’s try to end the year with a bang!

As I scroll through Facebook, I am truly entertained to see what so many of you have done to keep busy in spite of quarantines. I see yards with agility equipment, rally cones, tracking flags, virtually attained new AKC titles, and some of you have even had the opportunity to attend shows, trials and tests! Please consider sending a photo of your exploits to the “Imprint”. Everyone could use a smile and it will be a way for us to unconventionally celebrate our common love of Westies!

Where are you? Club mailings, the “Imprint” and the upcoming Yearbook are all mailed to the address that you provide when you send your annual membership dues. Some members temporarily move to another address for part of the year and forget to advise the Circulation Manager, Bette Carroll (windkiss2@aol.com), of the alternate location. Although the “Imprint” is sent first class mail, a forwarding notice to the Post Office may not cause the publication to forward if your local Post Office assumes that the “Imprint” is a catalog. Ten days prior to the mailing of each publication, a new mailing list is generated so that we include all new members and changes in address. Whenever you want an upcoming publication or club mailing sent to an alternate location, just email Bette Carroll and let her know. The club will certainly send you a replacement at cost; but, isn’t it better to avoid the extra work?

Be well and take care of each other.
